

One Day: A Community-wide Event
One Stop: Housing, Support, and quality of life
One Goal: Ending Homelessness

Mobile Project Homeless Connect
Friday, January 25, 2019
Event: 8:00 AM- 2:00 PM
Registration: 8:00 AM - Noon
The Grounds - 1035 Cody Road North, Mobile Alabama

Since 2014, **Housing First, Inc.** and the local **Continuum of Care** (Homeless Coalition of the Alabama Gulf Coast) have provided a one day service fair for individuals and families experiencing homelessness in Mobile and Baldwin Counties. The goal of the event is to provide participants with important services and goods necessary to improve their quality of life now, as well as access to all the tools necessary to rebuild what they have lost and to move forward in obtaining stable housing and achieving self-sufficiency. **Free transportation** is provided to ensure those who have limited mobility, or who lack access to any means of transportation, are able to attend.

By leveraging the power of numerous Baldwin and Mobile County volunteers, non-profits, and government agencies, Mobile Project Homeless Connect truly represents a community response to a community problem. Volunteers are the backbone of our program, and participation in the event offers a meaningful and enjoyable experience not only for the volunteers but also for the individuals and families who seek these much-needed services.
